DATE: October 8, 2007.

TO: Office of Engineering and Technology

FROM: Peter Vansteelandt

SUBJECT: Request for confidentiality.

Traficon NV would hereby like to request that the following documents, provided to the Generic Office of Engineering Technology of the FCC as part of an application for equipment authorization, be kept confidential:

Schematics of the TrafiCam (submitted as 2 separate exhibits)

These documents contain an accurate and detailed description of the electronics hardware of the TrafiCam-application and this information is regarded as to belong to the intellectual property of Traficon NV. This information is therefore highly confidential.

Respectfully submitted,

Peter Vansteelandt
R&D engineer
Traficon NV
