Re: xG Technology, Inc.  
Equipment Certification Application  
FCC ID VEYXMAXBS200  
**REQUEST FOR CONFIDENTIALITY**

Dear Ms. Dortch:

The instant filings are Joseph Bobier's response to the email message to him, dated May 22, 2008, from Steven Dayhoff, Correspondence Reference Number 35438. The filings include, as requested, detailed photos of the top and bottom of all printed circuit boards and a description of the antenna that will be supplied with this product.

On behalf of xG Technology, Inc. and pursuant to Sections 0.457(d) and 0.459 of the Commission's Rules, I hereby request that the instant filings be afforded confidential treatment and not be made available for public inspection on a long-term basis. The reasons in support of this request are the same as those set forth in my transmittal letter of April 3, 2008.

Very truly yours,

  
Harold Mordkofsky  
Attorney for xG Technology, Inc.
