Date: Thursday July 19, 2007

**Timco Engineering Inc.  
849 NW State Road 45  
Newberry, Florida 32669**

***Subject: Request for Confidentiality***

To Whom It May Concern,

Pursuant to 47CFR 0.575(d) of the commissions rules and section 552(b)(4) of the Freedom of Information Act (which authorizes the withholding from public inspection materials which would be privileged as a matter of law, such as trade secrets), we are hereby requesting that the following documents are to be handled with confidentiality and removed from display on the FCC Status Query Form Display of Exhibits:

- Transmitter WPC3 schematic, layout, BOM.pdf
- Repeater schematic.pdf
- Receiver schematic.pdf
- WPC3 splitter schematic

If there are any questions or if further information is needed, please call me at (925) 862-2944.

Thank you.

Yours sincerely,

John Caizzi
