Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046 ss

Subject: FCC Class II Permission change for FCC ID: VG8EM053KYY
Original Grant Date: 04/30/2018

Dear Sir/Madam,

This is to request a Class II permission change to our Microwave oven,
Model EM053K6AA-P (FCC ID: VG8EM053KYY),the device is identical to the
previously certified except for the changes as below for details:

1. Model name.
2. Different appearance of product bottom.
3. Different control boards.
4. The arrangement of lamp beads on the lamp bead board is different.

This authorization is valid until further written notice from the applicant.
Please contact me if you have any questions or need future information regarding this
application.

Sincerely Yours,

Singature:
