

# Request for Class II Permissive Change

**FCC ID: VG8XM134AYY**

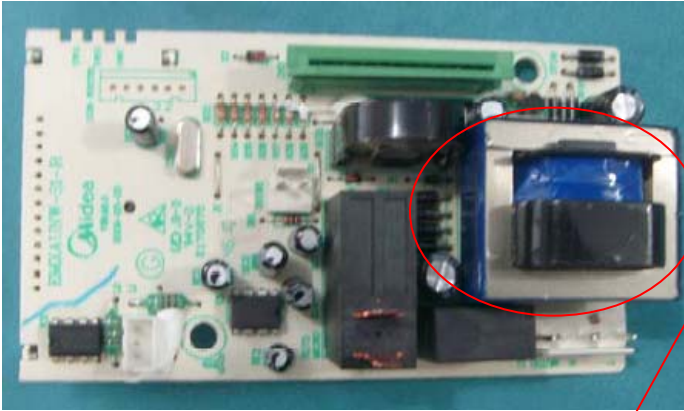

**Data: 2012-7-20**

**TO: Federal Communication Commission**

Please be notified that we, the undersigned, **Guangdong Midea Microwave and Electrical Appliances Manufacturing Co.,Ltd.** declare that the reasons for this class II permissive change are as below:

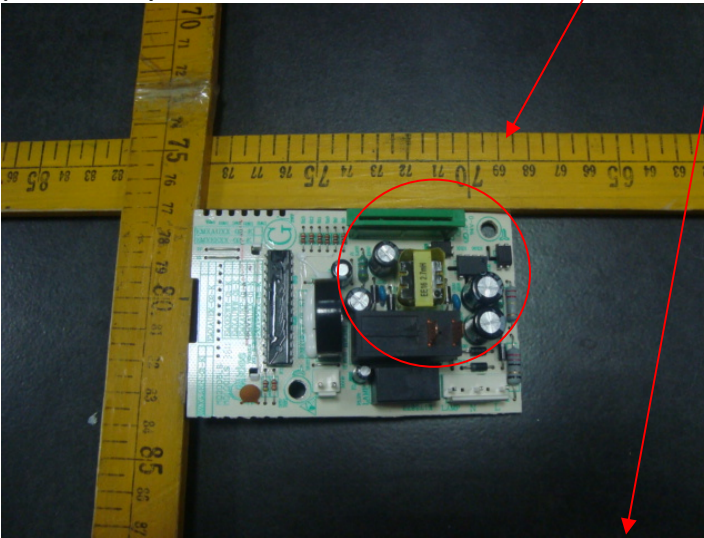

- Updated mother board as below:

**Mother board with linear transformer**

Changed linear transformer to the following two switching power supply(MD1001LSB and MD1001LB).

**Mother board with switching power supply (MD1001LSB)**

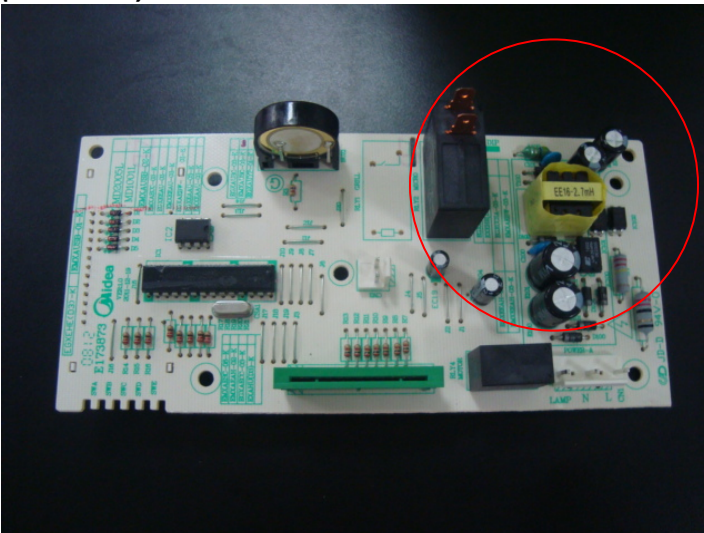

**NOTE:**

1. Two switching power supply have the same electric specification & circuit function, only PCB layout and component's location are different.

2. Between linear transmitter and switching power supply have the same specifications of rated output power, Changed to the switching power supply, rated output power have not obvious changes.

**Motherboard with switching power supply (MD1001LB)**

3. Mother board MD1001LSB was selected for the final testing.

Sincerely,

xue wenfei
