

## Request for Class II Permissive Change

FCC ID: VG8XM820CYY-PM

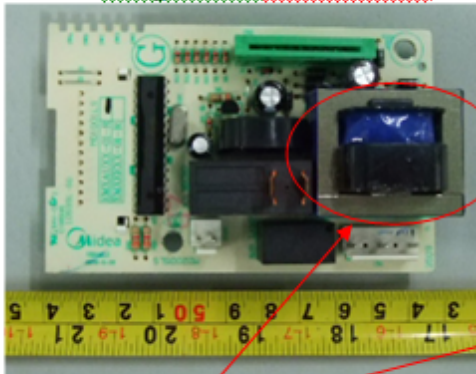

Data: 2012-5-13

TO: Federal Communication Commission

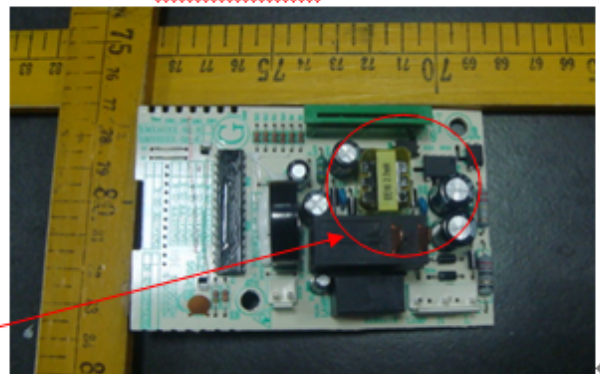

Please be notified that we, the undersigned, **Guangdong Midea Microwave and Electrical Appliances Manufacturing Co.,Ltd.** declare that the reasons for this class II permissive change are as below:

- 1、 Updated Mainboard as below:

Original Mainboard

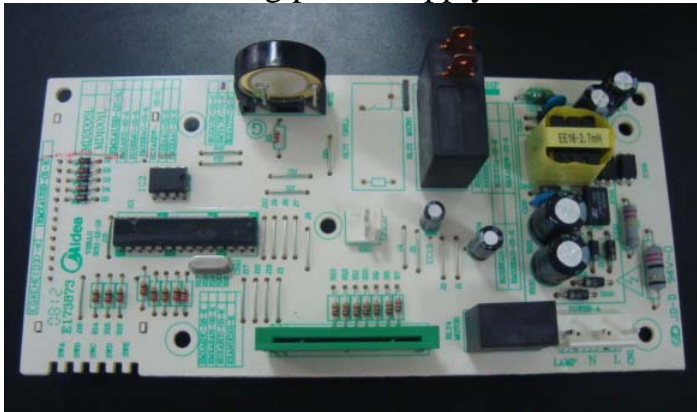

New mainboard

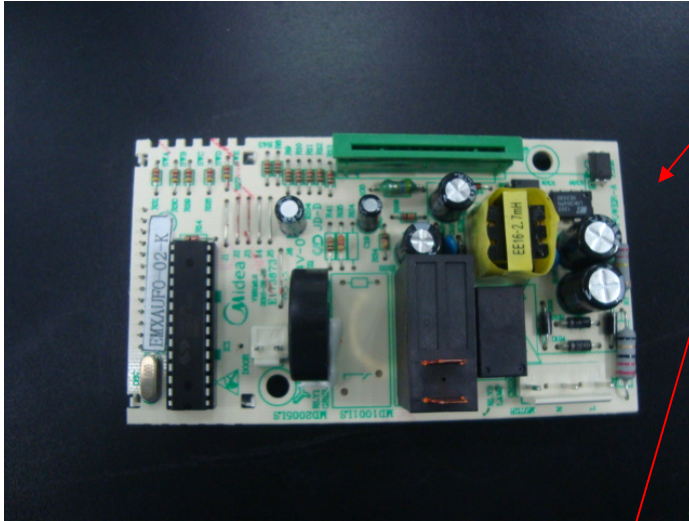

Changed linear power supply to switching power supply

or below switching power supply.

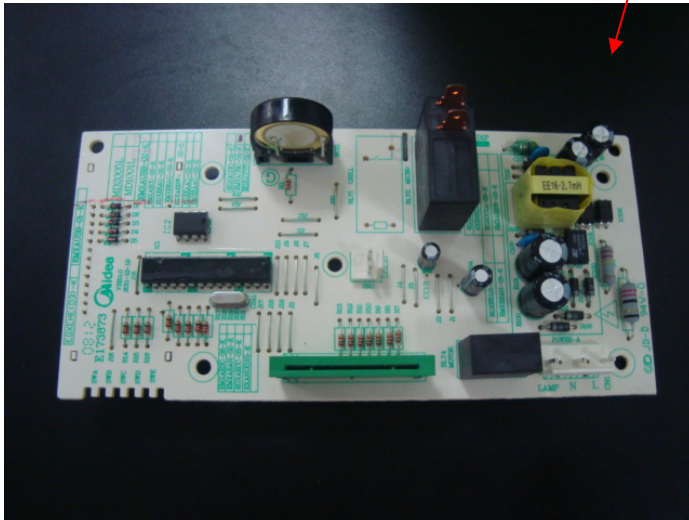

Note :

Between of linear power supply and switching power supply have the same specification of rated output power, changed to the switching power supply, theirs rated output power have not obvious change.

The differences of between this two switching power supply only is PCB layout and components location, anything else are the same.

Sincerely,

xue wenfei
