Re: OpenPeak DECT telephone system (Model Nos. OPOF2B2110 (FP), OPOF2H2115 (PP)) (the "Openframe2"); and Module FCC ID QDS-BRCM1048 (the "Module")

To Whom It May Concern:

The undersigned, an authorized representative of OpenPeak Inc., hereby confirms the following information concerning the Module:

- The Module is integrated into the Openframe2 product;
- The Module is electrically and mechanically identical to that which has already been approved;
- The antennas used with the Openframe2 product have already been approved for use with the Module; and
- OpenPeak Inc. understands its responsibility to ensure that the Openframe2 product maintains compliance with applicable standards when the 11abgn and DECT transmitters operate simultaneously.

Please contact me if you have any questions regarding the foregoing.

Sincerely,

Howard A. Kwon  
Vice President
