

Test Setup Photo

| Test Setup | Radiated measurement for below 30 MHz (Front side) |
|------------|---|
| |  A photograph showing the front side of a radiated measurement setup. A black circular frame is centered in the foreground. Behind it, a white table with a black top holds a device. The background is a white wall with a black grid pattern. The floor has yellow and black safety markings. |
| Test Setup | Radiated measurement for below 30 MHz (Rear side) |
| |  A photograph showing the rear side of the radiated measurement setup. The black circular frame is centered in the foreground. Behind it, the white table with the black top holds the device. The background is the same white wall with a black grid pattern. The floor has yellow and black safety markings. |

| Test Setup | Radiated measurement for below 1 GHz (Front side) |
|------------|---|
| | A photograph showing the front side of a radiated measurement setup. A device is placed on a table in the center of an anechoic chamber, surrounded by white pyramidal absorbers. A metal frame structure is visible in the foreground. |
| Test Setup | Radiated measurement for below 1 GHz (Rear side) |
| | A photograph showing the rear side of the radiated measurement setup. The device on the table is viewed from behind, with the same anechoic chamber environment and absorbers visible. |

| Test Setup | Conducted measurement (Front side) |
|------------|---|
| |  A photograph showing the front side of a test setup. A wooden table is in the foreground. On the floor next to it, there is a white power supply unit and a blue and white electronic device, possibly a noise generator or amplifier, connected by various cables. A black device is mounted on the table. The background is a metallic enclosure. |
| Test Setup | Conducted measurement (Rear side) |
| |  A photograph showing the rear side of the test setup. A wooden table is in the foreground. On the floor next to it, there is a white power supply unit and a black device. A blue and white electronic device is also visible. In the background, a computer monitor and other equipment are on a desk. The background is a metallic enclosure. |
