Dear Lucy,

Our customer will revise the label, please see attached file revised Label for your reference.

The antenna type is IFA, please see attached file revised test report for checking.

Best Regards,

Dear Debby,

For label format, please be noted that FCC ID can't have space per 2.926.
Besides, please confirm the antenna type. Is it PIFA or dipole?

Best Regards,

Lucy Tsai
CCS

Hi Debby and Daphne,

Please address following issues.

Q#1: According to KDB 852143 Authorized Individual Policy (Form 731), only the person who is listed as the grantee contact person on FCC website can sign the agent authorization letter. As for BlueAnt Wireless, the grantee code contact person is Damian Mangos. Please provide an authorization letter sign by him or update the grantee contact person from FCC website. Besides, please also provide the confidentiality request letter signed by Ju-Seon Youn as well.

All the letters are signed by Damian Mangos. Please see attached files for your reference

Q#2: Please provide label format and location.

Please see attached label picture for your reference.

Q#3: Please confirm which type of antenna is used. As indicated in test report, a dipole antenna is applied and if then, please provide the dipole antenna specification.

We corrected the gain of antenna in the report, please see attached revised test report and Antenna Spec.

Please noted we also revised the product name in the report.

Best Regards,

Lucy Tsai
