

# FLAT PANEL

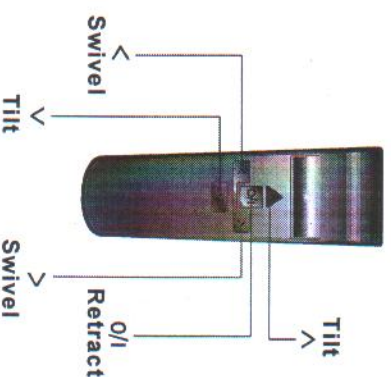

Motorized Wall Mount  
Under 42" LCD/Plasma Flat Panel Screens

Model: TV-80

Winsource's Motorized Wall Mount is the industry's remote-controlled mount that enables push-of-a-button screen adjustment. It provides smooth extension, retraction, swivel and tilt for corporate conference rooms, lecture halls, hotel ballrooms, bars and clubs where the screen is out of reach or needs to be adjusted from anywhere in the room without getting up. The TV-80 is ideal for easy adjustment when faced with glare or reflection by using the IR remote control to an automation system.

\* Remote controllable extension, pivot and tilt for convenient screen positioning
