

We, Voxx Accessories Corp. declare that this EUT (FCC ID: VIXSPAL2) doesn't have ad Hoc Mode function on "non-US/Canada frequencies". In addition, the frequency selection feature is disabled by firmware for devices marketed to the US/Canada. For DTS part of this device, only channels 1-11 will be used in North America. Country code selection is disabled.

Should you have any questions or comments regarding this matter, Please have my best attention.

Sincerely yours,

Signature:
