Company name: HOSIDEN Corporation
FCC ID: VIYCFU0321
FCC Part 15.247 Certification

Gentlemen,

In accordance with DA 00-1407 -- 26th Jun 2000 "Part 15 Unlicensed Limited Modular Transmitter Approval", Client's company name believes it has met all of the requirements set out in the document for the granting of limited modular approval.

1. The modular transmitter must have its own RF shielding.
Don't comply
2. The modular transmitter must have buffered modulation/data inputs.
Comply
3. The modular transmitter must have its own power supply regulation.
Comply
4. The modular transmitter must comply with the antenna requirements of Section 15.203 and 15.204(c). The antenna must either be permanently attached or employ a "unique" antenna coupler (at all connections between the module and the antenna, including the cable).
Comply
5. The modular transmitter must be tested in a stand-alone configuration,
Comply
6. The modular transmitter must be labeled with its own FCC ID number.
Comply
7. The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements.
Comply
8. The modular transmitter must comply with any applicable RF exposure requirements.
Comply

Sincerely,

Hosiden
