Request for Confidentiality

Company name: Hosiden Corporation
FCC ID: VIYCFU0321
FCC Part 15 Certification

Gentlemen,

Pursuant to 47 CFR 0.457(d)(1)(ii) and 0.459 Hosiden Corporation hereby requests permanent confidentiality of the following documents for the subject application:

| Exhibit Type | File Name | Description |
|-----------------------|----------------------------------|-------------------------------|
| Schematics | CFU0321_Schem.pdf | CFU0321 Schematics |
| Operating Description | CFU0321_OperatingDescription.pdf | CFU0321 Operating Description |

Note: Exhibit types that are commonly held confidential are: (1) Schematics, (2) Block Diagrams, (3) Operational Descriptions, (4) Parts List / Tune UP Info. Any exhibit NOT granted confidentiality is viewable on the FCC website as soon as a grant is issued.

Reason why the material should be withheld from public inspection:

These documents contain detailed system, equipment description and related information about the product which Hosiden Corporation considers to be proprietary, confidential, and a custom design otherwise not released to the general public.

State why the information is a "trade secret,"

Since the design is a basis from which future technological products will evolve, Hosiden Corporation considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Trade secret" information is information which is not generally known or reasonably ascertainable, by which a business can obtain an economic advantage over competitors. The information is not normally released to any party or person outside the company.

State whether the information is publicly available anywhere else:

The information is not publicly available anywhere else.

Sincerely,

Signature:
