## Professional Installation Attestation Letter

4/15/2024

Dear Sir/Madam,

Rajant Corporation hereby declares that the Product, Mobile Wireless Mesh Network Node, Model: AG1-5250M, FCC ID: VJA-AG15250M, IC: 7382A-AG15250M requires professional installation. We confirm that:

1. Consumers cannot purchase this product;
2. We only sell to the authorized distributors and resellers that have completed Rajant professional training;
3. Rajant Products installation require professional training;
4. Our filing and documentation states that Rajant Products are only sold through Distribution channels and are not available to the general public;
5. The AG1 can only be operated through licensed software and subscription files that must be purchased through a Rajant authorized dealer. The AG1 must be integrated into a system with power, inputs/outputs and radio frequency that requires professional design and installation.

Sincerely,

*Charles O'Neill*
