

To Whom It May Concern:

Re: Confidentiality Request for Exhibits under FCC ID: VJA-F50NPRO

Pursuant of Section 0.457 and 0.459 of the Commission's Rules and KDB 726920 D01 Confidentiality Request Procedures, we hereby request that the exhibits listed below, submitted in support of the certification application for FCC ID: VJA-F50NPRO, be withheld permanently from public disclosure:

- F50N-PRO Schematic.pdf
- F50N-PRO Block Diagram.pdf
- F50N-PRO BOM.pdf

The above exhibits, owned solely by Dbii Networks. and previously submitted to the Commissions permanent confidential exhibits for the certification of the Rajant Corporation module with VKVF52N, contain trade secrets and proprietary information not customarily release to the public. The public disclosure of these materials may be harmful to DBii Networks and provide unjustified benefits to its competitors. Grantee of VJA-F50NPRO is authorized to reference these exhibits in its application but not authorized to access them. Timco Engineering, Inc., as a TCB, is authorized to access these exhibits and include them in the filing for VJA-F50NPRO.

Best Regards,

Rammohan Malasani
CEO
