Federal Communications Commission:
Industry of Canada:

Usage and Installer Statement for: FCC ID: VJB-OPTICOMGPS3, IC ID: 7275A-OPTICOM3

This letter is to declare that all Global Traffic Technologies (GTT) family products including radio and antenna assembly are exclusively sold to approved dealers and authorized end users. The products are not available for sale to the general public.

GTT requests our dealers and authorized end users to attend certified installer training such that the products including radio and antenna assembly are installed by trained professional installers only.
