FCC Request for Change in ID

Date: October 7, 2020

Dear Sir or Madam,

Masimo Corporation is submitting the request for change in FCC ID **from** FCC ID: TFB-1004 **to** FCC ID: VKF-IRISA1 with antenna from Molex p/n.:1461531050.

Masimo Corporation's FRN number: 0016800161 and Grantee code: VKF

Attached to this application is the signed permission letter from original grantee Liard Connectivity granting permission to Masimo Corporation to file the change in ID.

The module is electrically identical and there are no changes in the design, circuitry, or construction. Radio module with the specified antenna has been tested and this change will be filed as Class II Permissive Change once the change in ID application is approved. Original test results continue to be representative of and applicable to the equipment. Please approve the change in ID application.

Sincerely,

A handwritten signature in black ink that reads 'A Joshi'.
