Re: FCC ID: VKF-IRISA1

To Whom It May Concern:

The following application is submitted on behalf of our client, Masimo Corporation, for evaluation of their model Sterling-LWB5 for a C2PC certification under FCC Part 15.247 and 15E.

The C2PC is to add a new antenna type when integrated into the ISirona host product as described in this filing.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
