RE: Change in ID Request at FCC; Authorization Letter from Wistron Neweb Corporation

Mr. Louis-Nicolas Hamer,

This letter is to inform Verint System Canada that, your previous inquiry for a possible FCC ID change, over an existing Wistron Neweb's DCMA82 radio, has been fully considered. We hereby formally authorize Verint System Canada the following possible activities as,

1. A possible change of identification request applies for a new FCC ID as established in 47CFR 2.933(b) for a currently approved device.
2. Such application may be submitted by Verint Systems Canada Inc., and consequentially result a new FCC ID under Verint Systems Canada Inc (as possible Grantee Code as VKHS4X000DCMA82) for purposes of adding antennas.
3. The original grant to Wistron Neweb's existing DCMA Radio, FCC ID: NKRDCMA82, will be remained in effect.

If you have any further question regarding to such authorization, please kindly do not feel hesitate to contact with me.

Sincerely Yours,

Director, Business Development,
Enterprise Solution & Vertical Segment; North America
