Dear Sir/Madam:

Please accept this documentation of compliance with the regulations set forth in Health Canada's Safety Code 6 for Exposure of Humans to Radio Frequency Fields. Information for compliance has been included in the user guide. A radio frequency exposure calculation page has been prepared for completeness.

Please use the enclosed documents for review and submittal in pursuing an Industry Canada Certification.

If you have any queries, please do not hesitate to contact us.  
Thank you for your time and consideration in this matter.

Sincerely,
