RE: Dismissal of part 90Y operation certification of FCC ID: VKV-F52N
FCC Rule: CFR47 90Y

To Whom it May Concern:

Dbii Ltd requests that the application for certification of 4940-4990 MHZ operation under CFR47 part 90Y be dismissed. Further, we request the certifications for operation as DTS and NII equipment operating in the frequency bands of 2400-2483.5 and 5725-5850 MHz remain intact. This product has not been sold or distributed in the United States per regulation as Grants of certification are in process.

Should you require any further information, please contact the undersigned. Thank you for your consideration in this matter.

Sincerely

A handwritten signature in black ink, appearing to read "R. Malasani", with a long horizontal stroke extending to the right.
