

July 22, 2009

To whom it may concern,

Motorola licenses to Binatone Electronics International Ltd. the use of the Motorola trademark for the following product categories and corresponding geographical territories:

Motorola Product Category	Authorized Territory
Cordless and Coded Telephones	United States and Canada only
Digital Picture Frames	United States, Canada, Mexico, South America, Europe, Asia
Baby Monitors	United States, Canada, Mexico, South America, Europe, Asia

Therefore, Binatone is authorized to develop, manufacture, brand and sell Motorola cordless and coded telephones, digital picture frames and baby monitors throughout the respective territories as listed above.

Yours truly,

A handwritten signature in black ink, appearing to read 'Vera Tsekeris', followed by a long horizontal line extending to the right.

Vera Tsekeris
