Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC ID: VLJ80-6997-01, FCC Registration No.: US:BINW400B80-699701 and IC: 4522A-80699701

The purpose of this document is to describe the changes on the Motorola designed family model Motorola L302 series. The reason is to meet the different cosmetic design.

Changes from the existing L302 to the new model K302:

- Base and handset cosmetic details changed.
- Handset antenna design changed.
- Different handset main, keyboard and RF PCB layout.
- Different handset baseband circuit.
- Different base line interface and keyboard PCB layout.

Similarities between existing L302 to the new model K302:

- Same frequency band and channels
- Same handset RF circuit and RF chip.
- Same base RF circuit, layout, and RF chip.
- The DC current consumption are very similar
- Same telephone line interface and speech modules circuit.
- Same battery charging circuit for base/handset/standalone charger

Sincerely,

for and on behalf of
BINATONE ELECTRONICS INTERNATIONAL LTD.
