Hillsboro, OR 97124

Gentlemen:

This letter is to define the relationship between Synapse Product Development, LLC (Synapse) and Haier America Trading Company, LLC (Haier). Synapse has been contracted by Haier to provide technical oversight and services necessary to achieve and verify compliance of the HS1C0 media player with FCC and IC standards. Further, Synapse is to create and provide relevant documentation to ensure that the HS1C0 receives approval from the aforementioned agencies to be distributed under a Class II permissive change to the original license granted under VLPMW10FAM and 7333A-MW10FAM.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stewart Katz', is written over the word 'Sincerely,'.

Stewart Katz  
Vice President and General Manager Portable  
Media and Electronics.
