Subject	: Request for Adding FCC ID
Original FCC ID	: RXEWE70CL
New FCC ID	: VM6WE70CL
Original grant date	: August 1, 2007
Original Applicant	: Omron Corporation Okayama Factory
New Applicant	: Omron Corporation Kusatsu Factory

To Whom It May Concern:

This is a request letter for issuance of FCC grant for the already granted FA Wireless LAN Unit - Client under different FCC ID.

We request adding FCC ID, because we change the factory that manages manufacturing from Omron Corporation Okayama Factory to Omron Corporation Kusatsu Factory.

This is not to cause any modification to the mentioned electric characteristics and RF characteristics because device will not be changed at all, so it is applicable to the original test results to FCC ID: VM6WE70CL.

From the above reason, please issue FCC grant for new FCC ID: VM6WE70CL.

Thank you for your attention to this matter.

Sincerely yours,

Masaki Ouchi
