part NO:	

技术要求:

Technical requirements:

1. 产品材质为黄铜，厚度0.5mm

The product material is phosphor copper, thickness is 0.5mm

2. 产品表面要求光滑平整、无毛刺

The surface should be smooth, flat and no burr

Antenna gain: 0.5dBi (Max.)

Antenna designation: Copper plate antenna

Manufacturer: Dongguan Yuan Tai Intelligent Technology Co., LTD

Address: Bao Xing Long Industrial Park, No. 3,

Lian Hu Street, San Zhong Village,

Qing Xi Town, Dongguan City,

Guangdong Province, China

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
