Re: Request for confidentiality regarding the application for Certification for FCCID – VMY-UTV1

TO WHOM IT MAY CONCERN:

Pursuant to Paragraphs §0.457 and 0.459 of the Commission Rules (47 C.F.R.) and the Section §552(b) (4) of the Freedom of Information Act, **Unitron hearing Inc** requests confidential treatment for the documents filed for the above products

Short term Confidentiality

Unitron hearing Inc requests that the Commission withhold the following documents for public viewing until 12/12/2010.

- External Photographs

Although the above product will begin to market, these documents reveal technical and design information that has not been publicly disclosed. The above exhibits contain Unitron hearing Inc's trade secrets and proprietary information that could be of benefit to our competitors regarding the design of our Wireless A2DP source, this material is not customarily available to the general public and we request that it be withheld from public inspection.

No other items submitted as part of the equipment authorization filing process are deemed confidential. The above exhibits contain Unitron hearing Inc's trade secrets and proprietary information that could be of benefit to our competitors regarding the design of our Wireless speaker, This material is not customarily available to the general public and we request that it be withheld from public inspection.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Jason Lin". The signature is written in a cursive, flowing style.
