Re: ONE WORLD TECHNOLOGIES  
FCC ID: VMZGDM120  
FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. ONE WORLD TECHNOLOGIES requests that the following documents regarding this submission for FCC ID: VMZGDM120 be kept confidential:

Exhibit Type	File Name
Block Diagram	CONF APPENDIX VMZGDM120_Block Diagram.pdf
Schematics	CONF APPENDIX VMZGDM120_Schematics.pdf
Operational Description	CONF APPENDIX VMZGDM120_Operational Description.pdf

Those documents contain detailed system and equipment description and related information about the product which ONE WORLD TECHNOLOGIES considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, ONE WORLD TECHNOLOGIES considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

Name: 

John Collins

Position: SR. MANAGER REGULATORY AFFAIRS  
Company: ONE WORLD TECHNOLOGIES
