FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Techtronic Cordless GP requests that the following documents regarding this submission for FCC ID: VMZR84089 be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Schematics.pdf
Operational Description	Operational Description.pdf

And below exhibit kept short-term confidential (180 days):

External photos	External photos.pdf
Test setup photos	test photo.pdf
Internal photos	Internal photos.pdf
User manual	User manual.pdf

Those documents contain detailed system and equipment description and related information about the product which Techtronic Cordless GP considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Techtronic Cordless GP considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

John Collins
