

Date: 9/9/2024

To whom it may concern:

The below labeling is applicable to the Contour Plus Blue device with FCC ID# VN5-CPB. Both labels are for the same model, with the only difference being the manufacturer SKU # (7035 vs 7036). SKU 7036 will be the commercially available SKU while SKU 7035 is the 'Free Goods' SKU. All labels attached to the device are attached with permanent adhesive and not detachable by the end-user.

Contour Plus Blue meter back side	Manufacturer label location
 <p>*For example only</p>	 <p>*For example only</p>
Commercially available device label	Free goods device label
	

Sincerely Yours,
