FEDERAL COMMUNICATIONS COMMISSION
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Dear Sir or Madam:

The chip HR-C7000 installed in our product DMR two way radio (model name: DR-8200, FCC ID: VO6DR8200), which support the digital and analogue functions. But for the product, it only activates digital function; the analogue function was disabled by using the software.

Please contact me if there is need for any additional clarification or information.

Best Regards,
Sincerely Yours,

Signature:

Ke, Fengshou
General Manager
