### Overview

#### Headset Overview

#### In the box

- Ci3 Bluetooth headset
- USB charging cable
- EarTips (S,M,L)
- Pouch
- User manual

#### Charging and battery

##### WARNINGS

1. Charging cable: Only use charging cable of standard Micro-USB (5 feet).
2. USB wall charger: If you use a USB wall charger for charging, make sure its output DC voltage should be 5V, and its output current should exceed 100mA.

##### Charging the battery

The built-in battery is rechargeable and non-detachable. DON'T try to replace the battery on your own.

1. Turn off the headset before charging.
2. Plug the small end of the included USB cable into the headset charging connector. Plug the other end into a computer or USB wall charger. When charging, the blue light stays on.
3. Allow 2 hours for a full charge. Once fully charged, the blue light will go out.
