Dear Examiner,

This is to request Federal Communications Commission to dismiss the above grant(s).

The reason for this request is based on the following:

- For business reasons, the launch of the product has been delayed until 2016
- The short term confidentiality request will expire prior to product announcement and cannot be extended
- The documents referenced in the short term confidentiality request contain detailed system and equipment descriptions which are considered proprietary and confidential information. Public disclosure of these documents may be harmful to our company.

We confirmed this device (FCC ID: VOB-P2523) has not been sold or marketed anywhere (i.e., in any country).

Sincerely yours,

A handwritten signature in black ink, appearing to read "C. Jackson", written over a horizontal line.
