To Whom It May Concern:

The PCECG1200W (and its transceiver PCECG1200WR) and label are so small that they cannot include the statement specified in FCC Part 15 Sub-part A, Section 15.19 (a) (3)

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference and
This device must accept any interference received, including interference that may cause undesired operation."

Due to this reason, we are using the provisions of Part 15 Sub-part A, Section 15.19 (a) (5) and this statement appears in a prominent location in the user manual.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in blue ink that reads "D. Seal".
