

To: Federal Communications Commission, Authorization & Evaluation Division, 7435 Oakland Mills Roads, Columbia, MD 21046

Dear Examiner,

This is to request a Class II permissive change for FCC ID: VPYLB1ZM, original grant date: 01/21/2021

The reasons for this change are as below:

1. To add a chip antenna

Based on above, radiated test has been retested.

Sincerely,
