

Modular Approval Request FCC (KDB 996369 D01 & Part 15.212)

FCC ID: _VPYLB2FJ_

Items to be covered by Single modular transmitters.	Answer from applicant
 The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly. 	Yes, the EUT provides the RF shielding
 The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal. 	Yes, the module and data input(s) are buffered. The EUT has buffered data inputs, it is integrated in IC chip.
The module must contain power supply regulation on the module	Yes, this module has its own internal power supply regulation function.
4. The module must contain a permanently attached antenna, or contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per §§ 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b).	Yes, the antenna is a non-removable structure formed on the board of this module.
5.The module must demonstrate compliance in a stand-alone configuration.	Yes, this modular transmitter has been performed the testing as a stand-alone and then confirmed the compliance.
6.The module must be labeled with its permanently affixed FCC ID label, or use an electronic display (see KDB Publication 784748).	Yes, FCC ID is formed and marked on the board of the module.
7.The module must comply with all specific rules applicable to the transmitter, including all the conditions provided in the integration instructions by the grantee.	Yes, the EUT is compliant with all applicable FCC rules. Details instructions for maintaining compliance are given in the User Manual.
8.The module must comply with RF exposure requirements.	Yes, the EUT is comply with RF exposure re requirement. RF exposure is addressed in the User Manual.

Note: A limited modular approval (LMA) may be granted for *single* or *split* modular transmitters that comply partially with the requirements above.

Name and surname of applicant (or authorized representative): Kenji Hayashikoshi

Date: _2022/9/26_ Signature: K. Hayashikoshi
