Q 1. A users manual. If the users manual has not been completed at this time, you may submit a page or pages thereof pursuant to Section 2.1033(b)(3) of the FCC Rules.

**【Sportun answer】**

The EUT has no users manual. Because the EUT will only be used as support equipment in support of DFS testing for client device, and will not be marketed to the general public. Please view "No market sales letter" on FCC web.

The method is similar as the Broadcom abgn AP FCC ID: QDS-BRCM1025, so that it didn't provide the users manual.

Q 2. The filing fee must be submitted before processing can continue on the above referenced application. Failure to comply with this request within 30 days of today's notice, may result in application dismissal pursuant to our Public Notice DA00-661, dated March 24, 2000. If, however, you have paid the filing fee, please clarify.
