

WLAN/BT Combo(1X1) Module Inside : RALINK RT3090BC4

Model:PV450

Contains FCC ID:VQF-RT3090BC4

Contains IC:7542A-RT3090BC4

CNC: C-8154

UAE: 0020904/10

CMIIT ID: 2010DJ0636

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WLAN/BT Combo(1X1) Module Inside : RALINK RT3090BC4

Model:PD450

Contains FCC ID:VQF-RT3090BC4

Contains IC:7542A-RT3090BC4
