To Whom It May Concern:

I am writing in reference to FCC ID: VQSAMN3110 and FCC ID: VQSAMN32100. I would like to request that this grant for 15.407 be dismissed. The applicant (Amimon) started the filing procedures mistakenly, instead of going through the TCB. The TCB will be proceeding with the applications as soon as the documentation is ready. The applicant is aware of the dismissal request.

Please dismiss these grants.

Sincerely,

Jennifer Warnell
