

Date: 6 Mar 2022

Composite Approval Cover Letter

To whom it may concern,

Applicant's complete, legal business name:

Amimon Ltd.

Applicant's mailing address:

**Amimon, Ltd.
26, Zarhin st.
Raanana, 4366250
Israel**

Equipment Product Code: Draco RX

FCC ID	VQSAMN42012	Date of Original Grant	26 Nov 2019
IC	7680A-AMN42012	Date of Original Grant	10 Apr 2020

Person at the Applicant's address to receive Grant (name, title, e-mail):

Name: Gabi Nocham
Title: Regulatory Engineer
Email: Gabi.Nocham@amimon.com

Application Description:

The AMN42012 is the video display unit that receives the video information transmitted from the video source unit and transfers the images to various types of monitors/displays. This enables the user or camera operator to monitor the video transmitted from the remote camera connected to the video source unit by creating a wireless video link at 5-6GHz range.

Request Contents:

Amimon requests to change the approval for FCC ID: **VQSAMN42012; TC681721** – TIMCO
Project: **6171-21** to composite

Sincerely,

Signature: _____
