Dear Sir/Madam,

Re: Modular Approval of LGIT Daughter Board Module, RBDS-C001X

1. It has its own RF shielding.
2. It has buffered modulation/data inputs in compliance with FCC Part 15.
3. It has its own power supply regulation in compliance with FCC Part 15.
4. It complies with the antenna requirements of Section 15.203 and 15.204(c).
5. It has been tested in a stand-alone configuration.
6. It has its own FCC ID label.
7. It complies with specific rules and provide adequate instructions along with the module to explain the requirements.
8. It complies with applicable RF exposure requirements.

Sincerely,

A handwritten signature in black ink, appearing to read 'In-pyo Park'.
