Re: Group Sense Mobile-Tech Limited
FCC ID: VRI-B195

Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Group Sense Mobile-Tech Limited requests that the following documents regarding this submission for FCC ID: VRI-B195 be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Schematics.pdf
Operational Description	Operational Description.pdf
Tune-up	Tune-up.pdf
Part list	BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which VRI-B195 considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, VRI-B195 considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
