## **Supplier's Declaration Form of Modular Approval**

We, Qisda Corporation. request authorization for our Device: MOD-SM QIS BT/WLAN CWM-02B-BT2-SP D5, Brand: Qsida, Model: GW52 as modular approval. The following attestation is to demonstrate the seven requirements of FCC modular approval have been met and complied

No.	Requirements	Supplier's Declaration		
110.	Requirements	Statement	LVIGETICE	
1	The modular transmitter must have its own RF	Yes	Refer the	
	shielding.		Internal	
		Yes	Photo Refer the	
2	The modular transmitter must have buffered	168	Block	
	modulation / data inputs (if such inputs are provided)		Diagrams	
	to ensure that the module will comply with Part 15			
	requirements under conditions of excessive data rates			
	or over-modulation.	Yes	Refer the	
3	The modular transmitter must have its own power	ies	Block	
	supply regulation.		Diagrams	
4	The modular transmitter must comply with the	Yes	Refer the	
	antenna requirements of Section 15.203 and		Section	
	15.204(c). The antenna must be either permanently		15.203 and 15.204(c)	
	attached or employ a "unique" antenna coupler (all		report	
	connections between the module and the antenna,			
	including the cables).			
5	The modular transmitter must be tested in a	Yes	Refer to the	
	stand-alone configuration, i.e., the module must not be		test setup	
	inside another device during testing. This is intended		photo	
	to demonstrate that the module is capable of			
	complying with Part 15 emission limits regardless of			
	the device into which it is eventually installed.			
6	The modular transmitter must be labeled with its own	Yes	Refer to the	
	FCC ID number, and, if the FCC ID is not visible		User manual	
	when the module is installed inside another device,			
	then the outside of the device into which the module is			
	installed must also display a label referring to the			
	enclosed module. This exterior label can use wording			
	such as the following: "Contains Transmitter Module FCC ID: XYZMODEL1" or "Contains FCC ID:			
	XYZMODEL1." Any similar wording that expresses the same meaning may be used. The Grantee may			
	either provide such a label, an example of which must			
	be included in the application for equipment			
	authorization, or, must provide adequate instructions			
	along with the module which explain this requirement.			
	In the latter case, a copy of these instructions must be			
	included in the application for equipment			
	authorization.			

No.	Requirements	Supplier's Declaration Statement	Evidence
7	The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements. A copy of these instructions must be included in the application for equipment authorization. For example, there are very strict operational and timing requirements that must be met before a transmitter is authorized for operation under Section 15.231. For instance, data transmission is prohibited, except for operation under Section 15.231(e), in which case there are separate field strength level and timing requirements. Compliance with these requirements must be assured.	Yes	Refer to the User manual
8	The modular transmitter must comply with any applicable RF exposure requirements. For example, FCC Rules in Sections 2.1091, 2.1093 and specific Sections of Part 15, including 15.319(i), 15.407(f), 15.253(f) and 15.255(g), require that Unlicensed PCS, UNII and millimeter wave devices perform routine environmental evaluation for RF Exposure to demonstrate compliance. In addition, spread spectrum transmitters operating under Section 15.247 are required to address RF Exposure compliance in accordance with Section 15.247(b)(4). Modular transmitters approved under other Sections of Part 15, when necessary, may also need to address certain RF Exposure concerns, typically by providing specific installation and operating instructions for users, installers and other interested parties to ensure compliance.	Yes	Refer to the User manual

Sincerely Yours,
