To Whom It May Concern:

We would like to request the dismissal of the approved model FCC ID: AVUI-DWRFID1302A which was issued in Mar. 19, 2014. The deferred grant of this ID should be in Mar. 24 per the business strategy but due to the miscommunication with TCB, grant was issued.

This device has not been sold to any country with the FCC ID, including USA.

We're aware that it was released to public in Mar. 19, 2014 but the urgency, please dismiss it asap and grant will be reissued in Mar. 24.

Sincerely Yours,
