Sweden**

This is an application to permit installation of this module in a HP Notebook which also include WLAN module which can co-transmit with this module.

F3307 has been assessed for installation in the HP Notebook with the following modelname. TPN-Q101. The notebook, within which the F3307 module is being integrated supports notebook mode only.

Please note the following

**Co-transmission**

The WLAN antenna is grater than 5cm from the WWAN antenna. For the antennas that simultaneously transmit and are located > 5 cm from each other, the KDB 616217 policy states that provided the antenna-antenna distance  $\geq 5$ cm AND antenna-user  $\geq 5$ cm AND SUM max 1g SAR  $< 1.6$ W/kg, then simultaneous transmission SAR evaluation is not required.
