**Overall Assessment Letter for Ericsson Mobile Broadband Module F3307
FCC id: VV7-MBMF33071**

I have reviewed this application for a Single Modular Approval and find it compliant.

This is an application for a modular transmitter which supports 850/900/1800/1900MHz GSM/GPRS/EDGE/WCDMA/HSDPA/HSUPA.

The F3307 is a variant of F3607gw FCC ID: VV7-MBMF3607GW1 and the client has declared that the differences do not effect compliance with Part 22H and Part 24E and Test Report number 28940RET.001 demonstrates compliance for the F3307.

I underwent the FCC RF exposure training at BABT in 2008.

Yours sincerely

A handwritten signature in blue ink that reads 'Allen Ferry'.
