RE: Supersede RF Exposure exhibit
FCC ID: VV7-MBMF3507G-D

This request is for supersede of the RF Exposure exhibit from the filing for the above FCC ID. The exhibit requires supersede to correct a typographical error related to a host laptop model name in Annex A, references 5-6.

Sincerely,

A small, rectangular image showing a handwritten signature in black ink on a light-colored background. The signature appears to be 'Vina Kerai'.

Vina Kerai
