## **Overall Assessment Letter for Ericsson Mobile Broadband Module F3507g**

**FCC id: VV7-MBMF3507G-S**

I have reviewed this application and find it compliant. This is an application for a change in FCC ID for the originally filed Ericsson AB Mini-PCIe wireless WAN card, model F3507g with FCC ID VV7-MBMF3507G-2 under a new FCC ID VV7-MBMF3507G-S.

The cover letter contains a declaration wherein it is stated that the same user manual will be applicable under the new FCC ID. The external photos exhibit shows the module with a different label, the final label is provided in Exhibit 1. The final label is shown on page 1 of Exhibit 1. Page 2 of Exhibit 1 is only intended to show the label position, and is not the final label.

Yours sincerely
