RE: Supersede Cover Letter exhibit
FCC ID: VV7-MBMF3607GW2-L

This request is for supersede of the Cover Letter exhibits from the Class B Peripheral filing for the above FCC ID. The cover letter exhibits requires supersede to remove them from the filing, as they were additional exhibits which were not required in the filing and were related to another equipment filing under the same grantee code (different product).

Sincerely,

A small rectangular image showing a handwritten signature in black ink on a light-colored background. The signature appears to be 'V.K.' followed by a horizontal line.
