

Attestation Letter

FCC ID: **VV7-MBMF5521GW1-O**
Brand Name: **Cisco Systems, Inc.**
Device Name: **Cisco Cius 4G**
Model No.: **CIUS-7-AT-K9**

Date: December 2, 2011

To whom it may concern:

The referenced Class II Permissive Change application to the WWAN radio module (manufacturer: Ericsson AB, model number: F5521GW, FCC ID: VV7-MBMF5521GW1-O) is limited to the use of this module in the specific tablet computer host device designed by OpenPeak Inc. (brand name: Cisco Systems, Inc., manufacturer: OpenPeak Inc., model number: CIUS-7-AT-K9). The host system relies on dynamic power reduction, triggered by a capacitive proximity sensor, to reduce WWAN transmitter output power based on the proximity of the device to human body in certain device orientations. We fully understand our responsibilities to ensure that the sensor mechanism and associated power reduction described in this application are fully implemented in the host device to maintain compliance to FCC's RF exposure requirements.

Sincerely,

By: _____ By: **Howard A. Kwon**
